**Garth Milne Technical Innovation
Award**

**Nokia Siemens Networks
Radio Amateur of the Year
Award**

**Nokia Siemens Networks
Amateur Radio Community
Service Award**

GARTH MILNE TECHNICAL INNOVATION AWARD

The award is made for the support, development and application of Technological Innovation in Amateur in South Africa. The recipient will be a person who has promoted the use of technology in amateur radio at club level, nationally, at schools or tertiary education institution

NSN RADIO AMATEUR OF THE YEAR AWARD

The award is made for the support and development of the Amateur Radio Service in South Africa, not for individual achievements such as DXCC and other operational awards or contests. The recipient will be a person who has given of his or her expertise and time to the promotion of Amateur Radio in South Africa.

NSN AMATEUR RADIO COMMUNITY SERVICE AWARD

Annually the South African Amateur Radio Development Trust is recognising a radio amateur or a group of radio amateurs for service to the community.

Community service can be assistance to a handicapped radio amateur, communications support during a sporting event or a disaster situation like a road accident or a natural disaster like a flood, veld fires, or an earthquake.

Nominations are invited for an individual or a group of people like a radio club, or an association.

NOMINATIONS

Nominations must reach the South African Amateur Radio Development Trust by not later than 30 April 2010

P O Box 90438, Garsfontein 0042.

Fax: 012 991-5651

Email to: saardt@intekom.co.za

RULES

The decision of the Board of Trustees of the South African Amateur Radio Development Trust is final and no correspondence will be entered into.

The winners must be prepared to attend the awards luncheon to be held in Gauteng on 17 May 2007 . Air travel will be provided by the Trust where required

The Proposer must ensure that all nominee details are included. Additional pages may be used for this nomination.

AWARDS

The winners will receive a certificate and a R1000, sponsored by Nokia Siemens Networks and a copy of the latest ARRL handbook

SOUTH AFRICAN AMATEUR RADIO DEVELOPMENT TRUST

The Trust was established by a Notary Deed of Trust in March 1986 and is governed by a Board of Trustees. In addition to the permanent members, the SARL and SA AMSAT annually appoint one member each.

OBJECTIVES OF THE TRUST

To promote amateur radio amongst the youth as an exciting activity with long term benefits in developing communications skills and confidence.

To support the promotion of Amateur Radio at all levels of Government

To promote the Amateur Radio Service as a national asset contributing to technology education, self-development and as a stepping-stone to a career in Electronics and Communication.

To encourage local technical development and research amongst Radio Amateurs and to finance and promote new technical developments in Amateur Radio

AWARD FUNCTION

The awards will be presented at a lunch function to be held at the Midrand Protea Hotel on 17 May 2010 at 12:00
